THE STANDARD PREPARATION.

January 8, 1848.

Deàr Sir. Believing that a public statement of my affliction may be of service to others similarly afflicted, as well may be self to yourself. I take this means our submitted with a Benerhage of the terms of the service of the service service of the service of the service of the service of the service. My health continued to decline for a year, when I was selzed with Neuragia and severe Verligo. Having applied to physicians, both in this place and Baltimore, without the least benefit, and having also made use of the Galeanic Battery without any good effect, I concluded to try your Extract of Sarsaparilla, and am happy to say, that after using a single bothle the pains entirely left me and I have been better ever since.

Respectfully. ENOCH W. SMALLWOOD.

To A. J. Schwarze, Jr., January 24, 1848.

It gives me pleasure to say that I am acquainted with the proprietor of the above medicine, and also with a number of gentlemen, who have tested its efficacy; and I have no doubt, from the unimpeachable character of the gentlemen who have volunteered their certificates, that they can be fully rolled on.
